501(C)(3) Tax exempt Wildlife Rescue Center. We have been in operation since 1989. The main function of the center is to rescue wildlife and facilitate their release or permanent care. This includes the rehabilitation and release of native wildlife as well as the permanent care of exotic and non-releasable animals. We are a center that is run strictly by donations and volunteers. All(%100) of the donations received are used for the animals. Help us help them. Open to the public.
